

## **AMERICAN CONSULATE GENERAL**

### **PANEL PHYSICIAN - KOLKATA**

The American Consulate General has authorized the following hospital listed below to give medical examinations to visa applicants. **Make your own arrangements for examination with the hospital at least seven days before your immigrant visa appointment.**

For each family member, bring

- Original appointment letter
- A passport
- Three recent photographs
- All medical records of vaccinations, prior illnesses or treatments. You must discuss your medical history and current conditions – pregnancy, diabetes, hypertension and other conditions and medications taken – with the physician.

The examination done by this hospital of the visa applicants conforms to standards and terminology prescribed by the United States Public Health Service. Any attempt by the applicant to influence the physician's medical judgment will reflect unfavorably on the visa application.

**The hospital may need four to seven days to prepare the results of your medical examination. Collect the report from hospital and bring it to Consulate on the day of your formal visa application appointment.**

The following fees for physicians have been authorized by the Consulate, effective October 1, 2010.
